(Designation) Ag. Collector of South Kanara.

To The Secretary to the Board,
Land Revenue, Madras.

Sir,

The President of the Society applies for an -- extension of the time allowed in G.O. No.Mis.,3628 Rev. Department, dated 6th November 1918, communicated with B.P. No.1528, Mis., dated 11th November 1918 by one -- year for constructing the building. He says that the society had resolved to construct the building by the end of May last, but it was not possible to do so as - the society sustained a loss of about Rs.300/- last -- year in connection with the rice relief work and ----- could not therefore provide funds for the building.

2. It appears that the society did very ------ commendable work in the sale of rice during the months

of scarcity last year (July to October) and has not therefore been able to commence the construction of the building. I recommend that the extension ---- applied for may be granted.
